OPTIMAL STABILITY

The JETSURF Ski is a brand new concept launched by JETSURF. With its directive carbon handlebar and jet, this board push boundaries of the motorized surfboard industry. The JETSURF Ski model is newly powered by the DFI Engine technology – the most powerful and reliable unit in the world of motorized surfing.

JETSURF ELECTRIC VERSION

The first-ever JETSURF fully electric board combines JETSURF's top-notch maneuverability with environmental benefits: experience, maneuverability, RACE Chassis, acceleration, JETSURF DNA.

- **Length:** 180 cm.
- **Width:** 60 cm.
- **Weight:** 33,9 Kg.
- **Max load:** 120 Kg.
- **Bindings :** Dual foot bindings
- **Engine:** Electric
- **Range:** up to 75 minutes
- **Battery capacity:** 3kWh.
- **Voltage:** under 60V.
- **Top Speed:** 60 km/h.

13 890€ EX. VAT
1 Battery included

OPTIMAL TURNS

JETSURF boards are available in two different hull shapes. While Sport and Adventure aims on stability in cornering, Race and Race Titanium more curved hulls give enough traction and confidence for faster turning with shorter turning radius.

THE ELECTRIC FEATURES

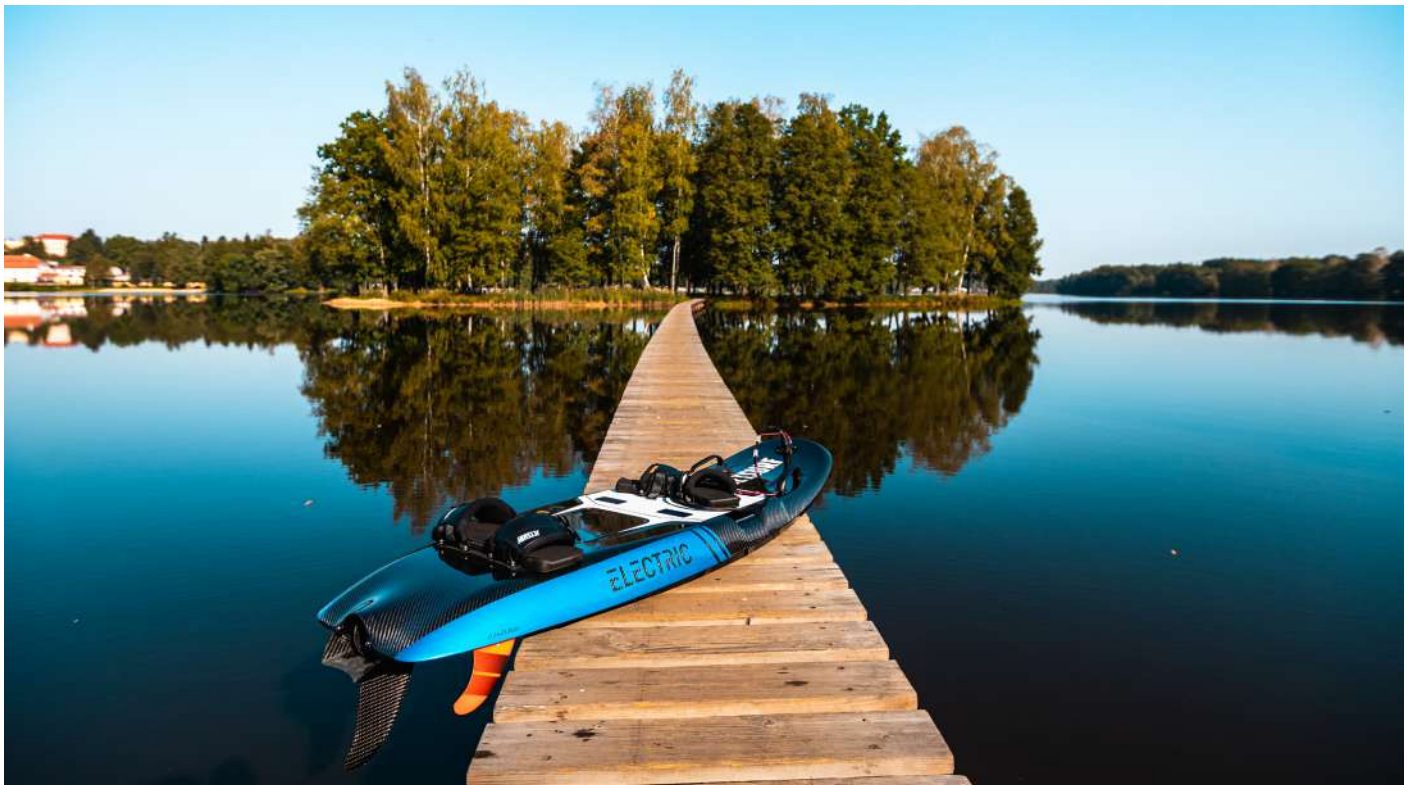

- Experience & Maneuverability
- RACE Chassis & Acceleration
- JETSURF DNA
- Longest riding time on the market.
- Most developed safety features

BATTERY PACK

Capacity of 3,1kWh (59 Ah) and charging time of 2,5 hours. This option secures 75 minutes of fun and maximum speed of 60 km/h.

4 990€ EX. VAT

ULTRA-LIGHT DOUBLE CENTRAL HULL WITH MULTI-CONCAVE SHELL FOR BETTER GLIDE.

100% electric thanks to its **YAMAHA engine**, its low voltage lithium battery LiFePO4, waterproof and unsinkable. Fun with a choice of 8 forward and reverse speeds and a push button to start the engine.

Jetskid

Inflatable wings made of high-strength PVC to ensure stability & to protect from shocks.

SPECIFICATION

- Beachcraft D category
- Dimensions L125 x W62 x H85 cm.
- Weight : 18 Kg including engine & battery pack
- Light Tec hull (5 Kg) with multi concave hull for a better glide with marked bow for chop
- Powertube chassis in powder-coated aeronautical aluminium
- Capacity : 1 children - max 45 Kg.
- Speed : 3 knots - 6 Km/h.

ENGINE

- Yamaha electric engine with optional protective nozzle
- Anti-algae plastic propeller
- Button ON/OFF throttle on the handlebar
- Choice of 5 speeds by the user
- Power : 30 lbs.
- Speed : 5 up to 7 Km/h.

RIKTER

BY RRP

FROM BEGINNER TO PRO LEVEL. THE RIKTER ARE FULLY CUSTOMIZABLE

Rikter-RRP offers customized kits to be built by specialists and world champions.

NINJA X

THE KID SKI

The ninja x is based on the world champion rikter xfs ninja competition and has been specially designed and produced for kids up to 120 pounds.

From 700cc to 1000cc
Starting at 16 500 € EX. VAT

MX1

THE DIRT BIKE ON WATER

A sport division unit dedicated to surf riding + all kinds of play riding on the flat and open sea. This hull fully inspired by the famous yamaha wave blaster.

From 701cc to 1200cc
Starting at 18 500 € EX. VAT

EDGE

MOST POLYVALENT IN OUR RANGE

Whether you are playing at the lake, carving buoys, ripping flat water freestyle or wave riding, the edge is by far the most versatile hull we have ever built.

From 701cc to 1200cc
Starting at 18 500 € EX. VAT

XFR

FREESTYLE HULL

It's a short hull that can perform crazy tricks on flat water but it's also pretty stable and can be efficient in cruising or wave riding. It will allow you to push as far as you want your freestyle.

From 701cc to 1200cc
Starting at 18 500 € EX. VAT

XFS CARBON CORE

THE BEST FREESTYLE

Industry's most competitively priced hull based on the performance and quality the xfs carbon core. The performance of the xfs carbon core comes from a big and extended pump cavity.

From 900cc to 1200cc
Starting at 24 500 € EX. VAT

XFS COMP CARBON G2

THE COMPETITION WEAPON

For the new xfs ninja competition; we have teamed up with some formula one composite engineers to develop a unit lighter, stronger and stiffer.

From 900cc to 1200cc
Starting at 29 500 € EX. VAT

YAMAHA SUPERJET.

Today, a new-era adrenaline machine is born out of our racing DNA. No longer restricted to professionals only, it brings the thrill of competition performance to all riders. Prepare to stand up and dominate the waves!

STARTER PACK OXSEA: OX500 BOTTLE + MANUAL PUMP

YOUR PACK READY TO USE!

• 1 BOTTLE OX500

The **OX500 tank** gives you about 8 minutes of autonomy under water. Its lightness and compact appearance will allow you to freely enjoy the seabed.

• 1 HAND PUMP

The **manual pump** allows you to refill your bottle autonomously anywhere. Its main advantages are its maneuverability, its lightness and its ability to be used without an energy source.

299,99€ EX. VAT

NEW MODEL 2023

OXAIR PACK! OXAIR MASK + OX500 BOTTLE + MANUAL PUMP

Breathe on the surface thanks to the snorkel and your OXSEA bottle will take over if you decide to dive.

- 1 BOTTLE OX500
- 1 HAND PUMP
- 1 OXAIR MASK

The **OXAIR mask** is the first hybrid snorkeling mask, invented by OXSEA. Its unique features allow you to enjoy a totally innovative snorkeling experience.

358€ EX. VAT

PACK OXSEA1000! OX1000 BOTTLE + MINI COMPRESSOR

Connect the mask in seconds to all cylinders in the OXSEA range.

• 1 BOTTLE OX1000

The **OX1000 bottle** gives you about 15 minutes of autonomy under water.

• 1 MINI COMPRESSOR

The **12V Mini Compressor** allows you to fill your bottle in about 12 minutes and with ease. You can connect the mini compressor thanks to the crocodile clips on a car or boat battery.

665€ EX. VAT

NEW COMPRESSOR

Integrated 220V converter

A filling station that allows you to fill your Oxsea cylinder using the air contained in a conventional diving cylinder.

WE ARE PROVIDING **THE BEST FITNESS AND WELLNESS EQUIPMENT**

DO NOT HESITATE TO ASK US QUOTATION AND 3D SCHEMA
FOR YOUR NEXT LUXURY GYM ABOARD YOUR YACHT

INFLATABLE

UNIQUE, PATENTED LUXURY TEAK FOAM FINISH.

Award winning specialists in multi functional inflatable floating platforms, docks and accessories.

BEACH CLUB

With NautiBuoy's range of leisure accessories, a swimming pool type ladder to exit the water with ease, luxurious comfort seats to relax and unwind on and headrests for sunbathing. 4 platform sizes available, a luxurious faux teak finish and a unique modular linking system.

WATER SPORT CENTRE

Have even more fun, with easier access, whilst protecting the toys and the yacht. Your Crew can offer better hospitality - they can greet guests at water level rather than from the transom. They can even change batteries on the lift foils whilst on the water to allow more time having fun.

T-SHAPED JET SKI DOCKS - SOFT LANDINGS

The platforms protect the yacht. Crew can pull tenders up alongside. With super reinforced D-Rings - Your Jet ski and toys are not going anywhere!

C-DOCKS FOR SEABOBS AND LIFT FOILS

A PROTECTIVE GARAGE AT WATER LEVEL. (Available in both Voyager and Sport.) The drive in/drive out solution. Avoid heavy lifting and ensure your toys are protected.

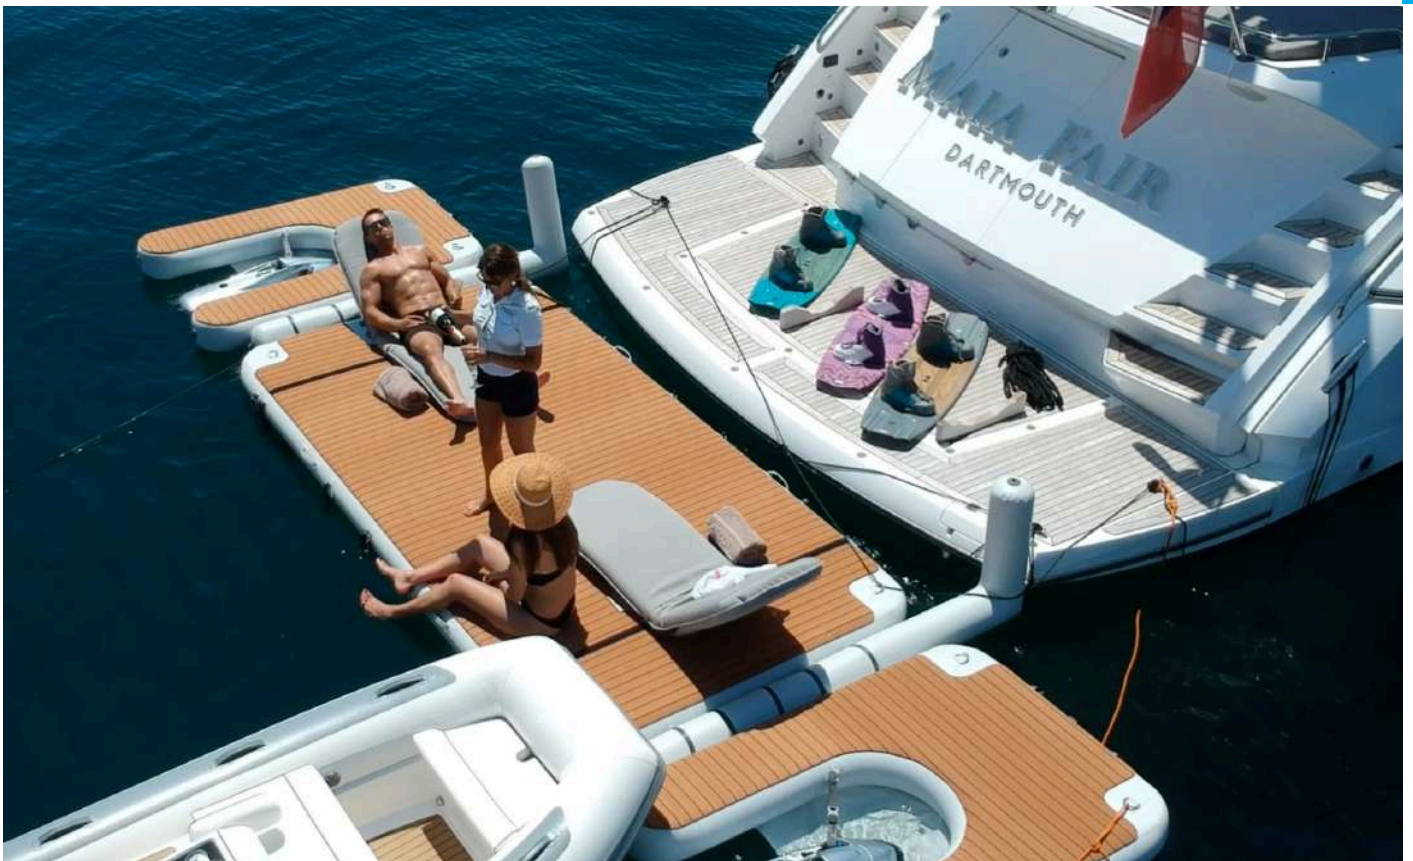

A RANGE OF LEISURE AND MAINTENANCE ACCESSORIES AVAILABLE TO ENHANCE THE PERFORMANCE OF THE PLATFORMS.

- Luxury comfort seats and head rests
- Stainless 4 steps boarding ladders
- Inflatable steps providing access to yachts with higher transoms
- L-Bow joints to prevent sets ups washing under raised transoms
- Maintenance covers protecting the platform during wash downs and topside maintenance

NO HARD PARTS TO DAMAGE THE YACHT
SUPERIOR STABILITY WITH 4 BALLAST BAGS ON EACH CORNER
BUILT TO WITHSTAND THE HARSH MARINE ENVIRONMENT

FLOATING COMFORT AND SAFE WATERSPORT.

Award winning specialists in multi functional inflatable floating platforms, docks and accessories. Unique, patented luxury teak foam finish.

Covered with a non-skid soft surface and made incredibly stable by a unique ballast system, the NautiBuoy platform offers a safe spot for activities on the water.

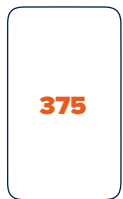

TEAK

- Soft & comfortable on the skin
- Easy to wash out stains (tested with suntan cream SPF50, coffee, red wine & cola).
- Non- Skid and UV resistant
- Heat resistant up to 110° Celsius
- Rolls up and stows easily on and under rib-collars, or in sail lockers & lazarettes

DIAMOND

- Non-skid German PVC
- More cost effective than Teak
- Easy to convert into a maintenance platform
- Robust, durable & hard wearing
- Light grey finish repels heat
- Has the flexibility to be folded as well as rolled so they can fit into various shaped storage spaces

375

2.5m x 1.5m
(8'2" x 4'11")

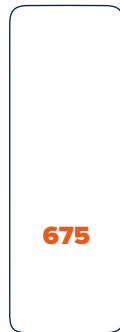

- Great space for 3 people sunbathing or 2 deckhands
- A perfect addition to a larger platform to create a jet-ski dock
- Super quick to inflate and deflate

525

3.5m x 1.5m
(11'5.5" x 4'11")

- Space for 4 deckhands to work
- A perfect addition to create a larger landing dock for dinghies or tenders
- Super quick to inflate and deflate

675

4.5m x 1.5m
(14'9" x 4'11")

- Can accommodate 5 sunbathers or 5 people working along side
- Ideal for jet-ski/tender docks when joined to a 375 or 525
- Joined it makes a 9m runway

800

4m x 2m
(13'1" x 6'6")

- For 5 guests or 5 workers
- A luxurious floating island off the back of a yacht or anchored off a beach
- Still only weighs 40Kg (88lbs)

THE DIFFERENCE BETWEEN THE VOYAGER AND SPORT SERIES

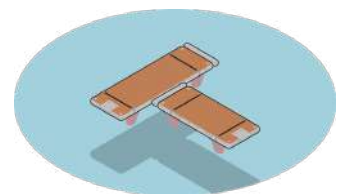

The Sport series can do everything the Voyager series can but the Voyager series has more connection options.

End-to-end linking

Allows for longer maintenance platforms, walkways and pontoons

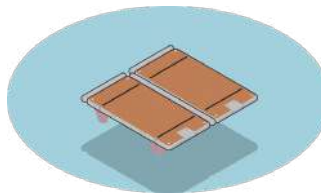

VOYAGER-SPORT

Jet-ski dock - T-shape

Makes an ideal jet-ski dock

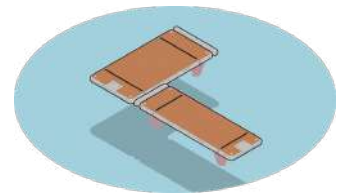

VOYAGER-SPORT

Side by side linking

A wider space for your own private dock or dinner party

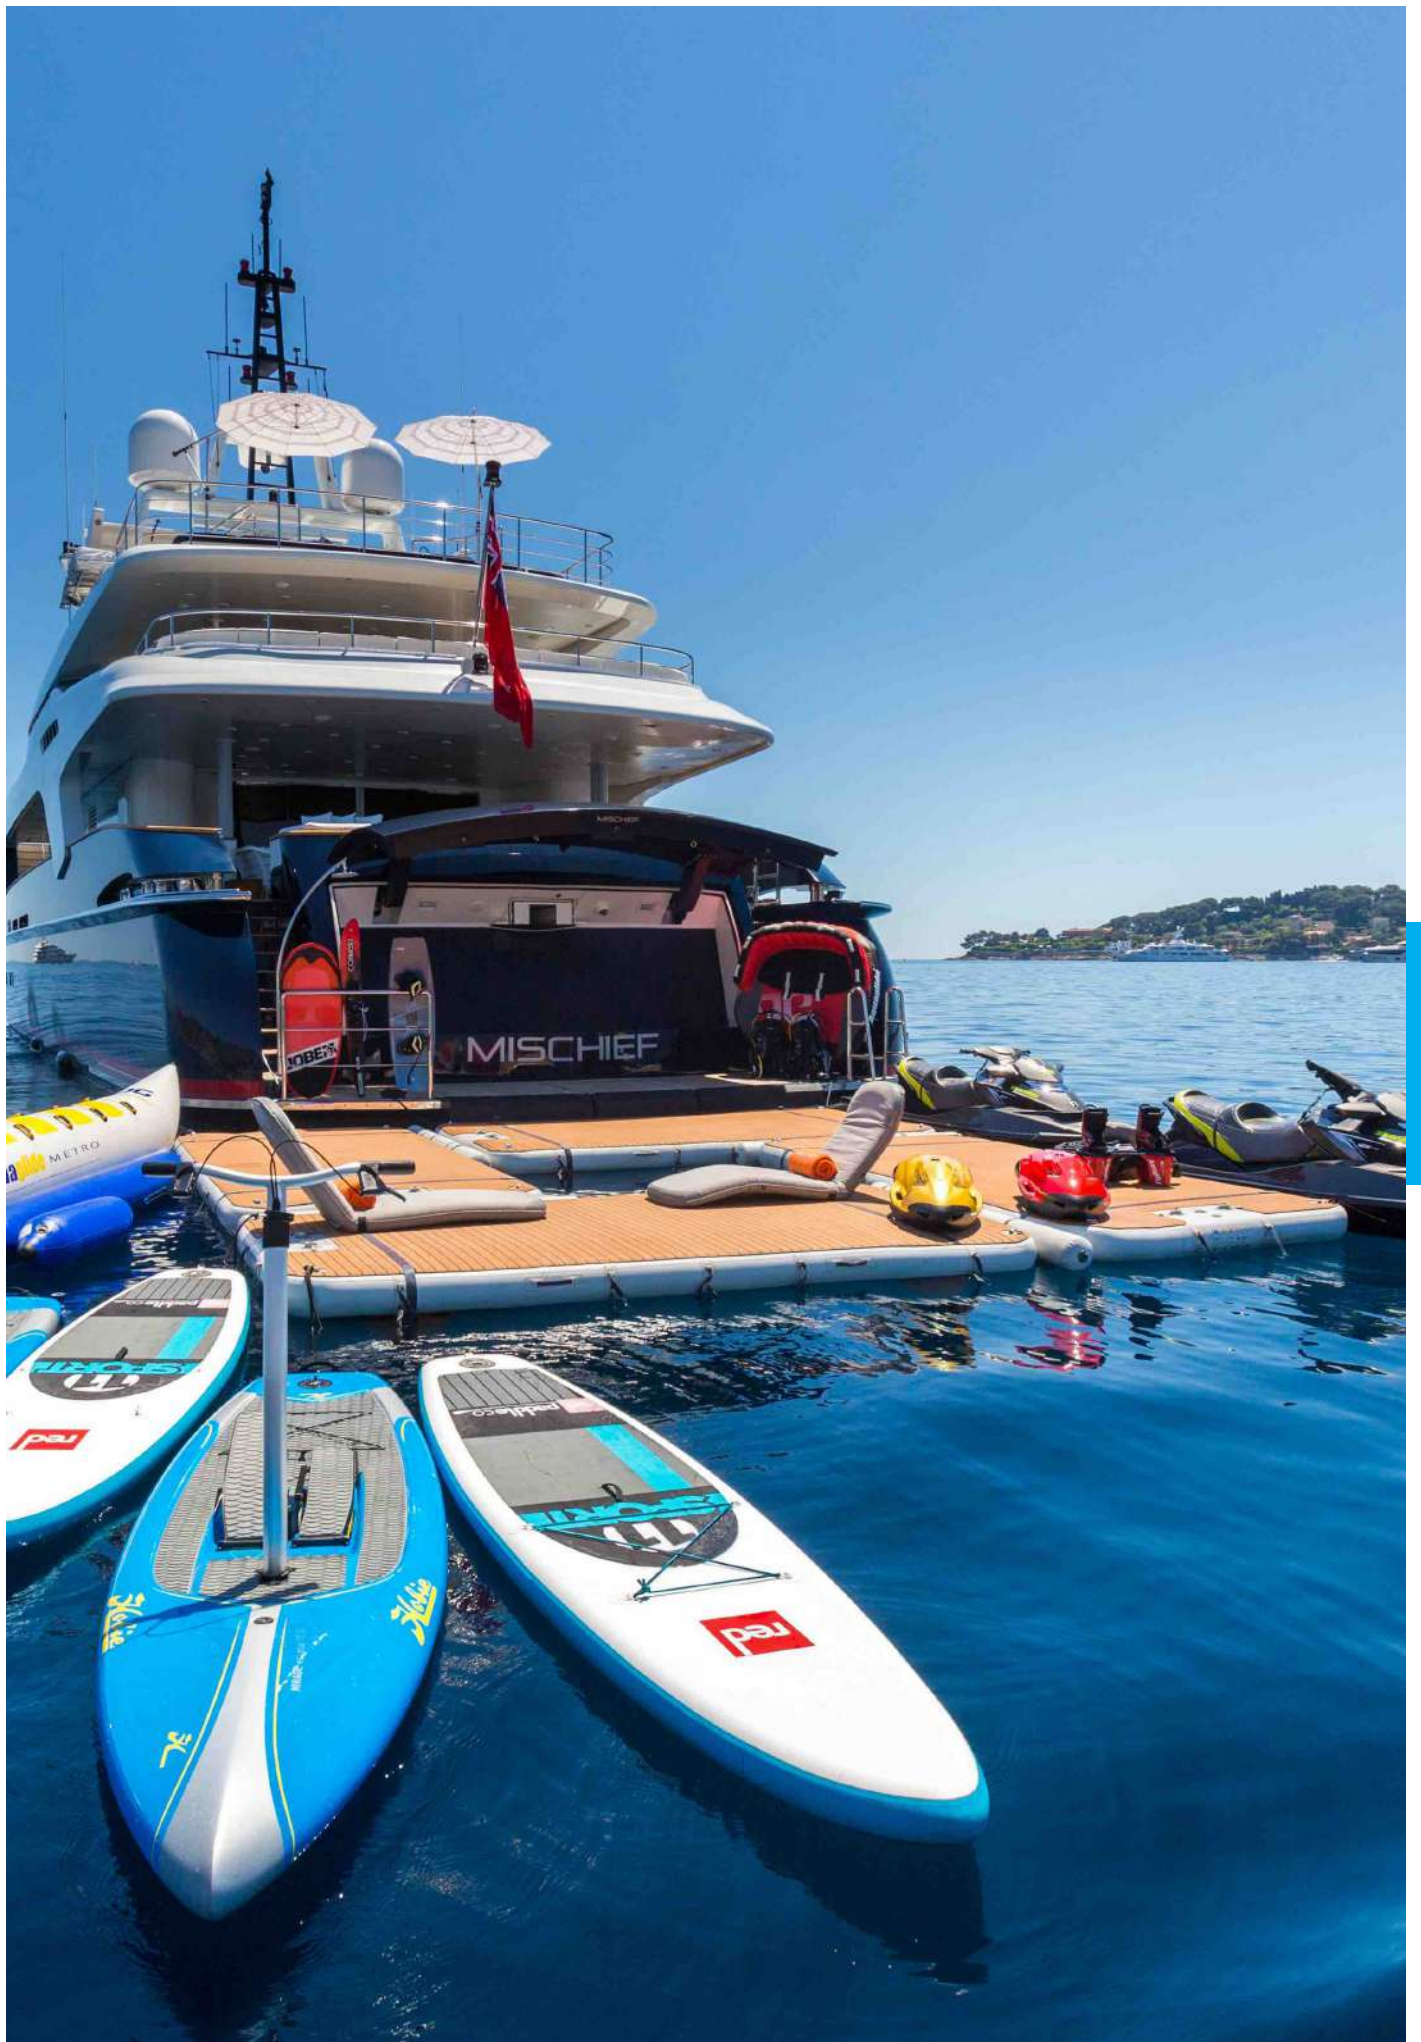

VOYAGER

L-shape linking

Makes a great drop off point for guests in a tender

VOYAGER

KEEP THE FUN SPINNING

ON YOUR JET SKI WITH SPACE FOR 6 MORE PEOPLE!

This innovative Jet Ski extension is the biggest party on the water!

A regular inflatable boat, but attaching it to a Jet Ski. JETXTENDER is light and packs up so small that you can carry it on your Jet Ski. It inflates in just moments and is easy to attach. JETXTENDER also works great at high and low speeds - recreational or rescue applications.

FOR WATERSPORT STATIONS

JETXTENDER offers perfect transport options. With striking design and concise advertising message, your station becomes an eye catcher.

Size: 380 x 240 cm.

JetXtender pack size: 90 x 66 x 55 cm.

Weight with bag and pump: 35 Kg.

2 015[€] EX. VAT

JET SKI DOCK

It is noteworthy that you can easily combine the Yachtbeach Jet Ski Dock with all common Yachtbeach 4.1 & 3.1 platforms and make a variety of combinations possible. The Jet Ski Dock has longer divided arms that the jet skis can not collide and be better protected. The divided arms are each 200 cm. long and 55 cm.

Single dock: 1 847[€] EX. VAT
Double dock: 3 360[€] EX. VAT

TENDERS

olympicRIBS

Opening Seaways since 1985. Infusing the millennia old Greek maritime tradition with worldwide cutting-edge technologies, the OLYMPIC RIBS' OLR line stands at the forefront of the global race for an elevated onboard experience.

30 SR

Having won 3 championships and combining offshore performance hull with one of the most spacious deck arrangements in its category **OLR 30SR** is the ultimate day boat and the perfect weekender to capture the spirit of luxurious adventure.

With two different deck arrangements, OLR 30SR can transform to the perfect Yacht tender with the reverse sofa option by increasing the seated passengers' capacity, while at the standard version the wet bar hosts all the necessary amenities for a unique full day onboard experience.

KEY FEATURES

1. Outstanding offshore performance
2. Ultimate all day boat
3. Ideal Yacht tender
4. Optional carbon poles
5. Winner of 3 championships
